EXPERIENCE

ART EXHIBITION, UNNATURAL CONNECTIONS

January 2020 - June 2020

Dating apps make monsters of us all, but I helped make a dating app for monsters. Hand-crafted puppets and my bios were sold and on display at the Denver restaurant City O' City.

FOOD SERVICE, LYFE KITCHEN / PAPA JOHNS / VITAL ROOT

September 2014 - 2017

August 2019 - November 2020

I smiled. I waved. I said thank you when people handed me their dirty napkins. And I delivered pizza to a maximum-security prison and the Denver Broncos in the same day.

AVID TUTOR, AVID

January 2018 - August 2018

I thought I was going to be a teacher for a while, so I went to Boulder High School to teach 'at risk' students. I'd say I learned just as much as they did, but that assumes I was able to help with their Algebra 2 homework (I wasn't).
